

## Application form for the biennial RSA symposium 2025

Please return this expression of interest via email to B.L.Kaptein@lumc.nl before March 1, 2023. It will be evaluated by the board members of the International Radiostereometry Society before April 1, 2023 and you will receive a decision after that. The 2025 RSA symposium will be announced during the RSA symposium in Nijmegen in April 2023.

### 1. Local Organising Committee (add rows if necessary)

Name	Role	Institute
	Chair	
	(Co-chair)	
	Etcetera	

### 2. Why would you like to host the symposium?

### 3. Location: (Indicate the city and conference location where the conference will be held)

### 4. What are the proposed dates? (previous RSA symposia were mainly organised in the months of April and May, please also take school and bank holidays into account while planning)

### 5. Is there potential overlap with other meetings on the proposed date?

### 6. Additional information (that you believe the RSA Society and Network should be aware of; max. 100 words)
