

June 2026

Dear members of The International Radiostereometry Society,

It is my great pleasure to update you on the current work in the IRSA board and society.

**1) GENERAL ASSEMBLY**

On Thursday June 18<sup>th</sup> at 2PM (GMT+2 = UTC+2) the International RSA Society will have a General Assembly online. All society members are welcome to join. Please see the attached agenda.

Board constitution: <https://radiostereometry.org/about-us/society-board/>

Join Zoom Meeting

<https://aarhusuniversity.zoom.us/j/63568322840?pwd=IYvtpbVLLMY8nWBUQ1eHaPR6fAT4tI.1>

Meeting ID: 635 6832 2840

Passcode: 373305

Please note that the following board members have expiration of their board member term (re-elected in 2023): Maiken Stilling, Stephan Rohrl, and Petra Heesterbeck. All are willing to be reelected.

If you have an interest in the society voluntary board member work, you may send your interest in becoming a board member to [rikke.morup@clin.au.dk](mailto:rikke.morup@clin.au.dk)

**2) YOUNG BOARD MEMBER**

Jonathan Jürgens-Lahnstein has served a year as a young board member working with several important topics, including common data SHEILD

We now welcome interest from other young IRSA members in serving a 1-year term on the board to represent the interests of younger researchers within the RSA community.

If you would like to apply for the new young board member chair, please write a brief motivated application of no more than 150 words, and e-mail it to [rikke.morup@clin.au.dk](mailto:rikke.morup@clin.au.dk)

Deadline: June 17<sup>th</sup> at midnight.

**3) WEBSITE**

There are several updates – please see [www.radiostereometry.org](http://www.radiostereometry.org)

**4) IRSA MEETING IN RIMINI, ITALY**

Please set the dates for 13-14 May 2027 – more info will be available on the IRSA website.

**5) IRSA WEBINARS**

On August 27, 2PM (GMT+2 = UTC+2) Kelly Mills from the Sint Maartenskliniek in Nijmegen, The Netherlands will present essentials from her PhD study: “Evaluating device-related innovations and advanced diagnostics in knee osteoarthritis: from joint preservation to revision surgery”.

All IRSA Society members are welcome to join.
